July 21, 2006

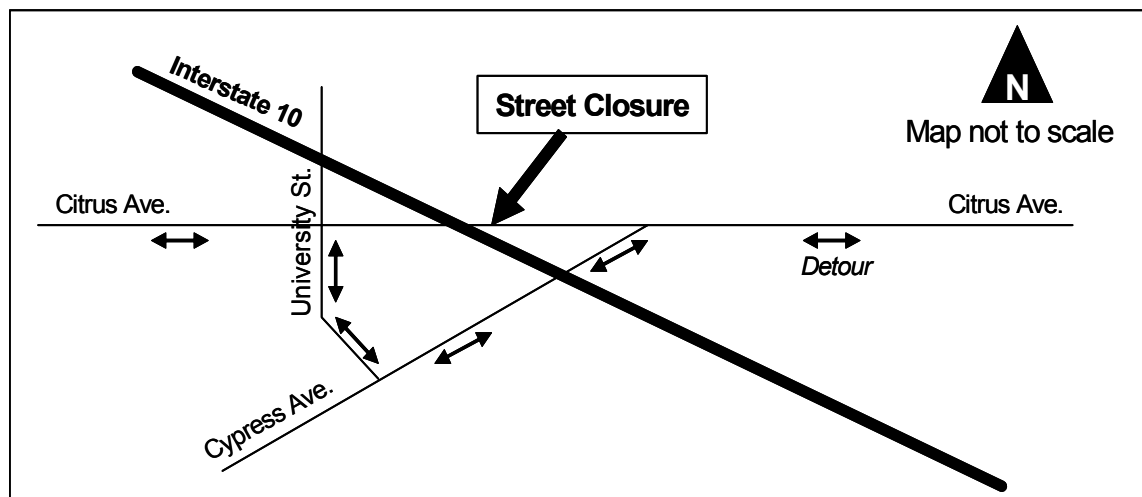

Dear Citrus Avenue area resident:

The Interstate 10 widening project in Redlands will require street closures near Citrus Avenue this month. Some of the work previously scheduled for the week of July 17 will continue through the week of July 24.

Crews will be placing falsework along the Citrus Avenue bridge, which will require:

- ▶ Daily lane closures on Citrus Avenue from 6 a.m. to 5:30 p.m., July 24-26. One travel lane will be open in each direction, but motorists should expect delays.
- ▶ Full closure of Citrus Avenue from 7 p.m. to 6 a.m., July 24-25. Drivers may use University Street and Cypress Avenue as alternate routes.
- ▶ The closure of two Interstate 10 westbound lanes from 10 p.m. to 4 a.m., July 24-25.
- ▶ The closure of two Interstate 10 eastbound lanes from 11 p.m. to 5 a.m., July 25-27.

Crews also will be conducting demolition at the Citrus bridge the nights of July 26-27. This will require the use of noisy equipment and temporary lighting throughout both nights. Efforts will be made to minimize the impact to residents. However, we ask for your patience during this work.

SANBAG and Caltrans recognize that construction near your home and disruptions to driving patterns are difficult. For questions, please call the I-10 helpline, (909) 889-8611 ext 102; calls will be returned by the next business day. For more information, please visit the SANBAG website at www.sanbag.ca.gov. SANBAG and Caltrans appreciate your patience during widening of this freeway. Please allow extra time when traveling through the construction area and follow all signs and detour routes.
